AGENDA

IVCSD SPECIAL MEETING OF THE BOARD WEDNESDAY, JANUARY 12, 2022 AT 6:30 P.M. TAYLORSVILLE HISTORIC HALL, 4322 MAIN STREET TAYLORSVILLE, CALIFORNIA 95983

- 1. Call to Order/Roll Call:
 - Board Clerk Titcomb will call the roll and confirm a quorum.
- **2.** Pledge of Allegiance:
 - Board Chair will lead the group in the pledge.
- 3. Approve the Agenda:
 - Discussion/Action:

2 Minutes

- 4. Public Comment:
 - This portion of the agenda may be utilized by any member of the public to address and ask questions of the board of directors on any matter that is NOT on the agenda within the jurisdiction of the IVCSD. Depending upon the subject matter, the board of directors may be unable to respond at this time, or until the specific item is placed on the agenda at a future IVCSD board meeting in accordance with the Ralph M. Brown Act, or as decided upon by the board chair.
 5 to 10 Minutes
- 5. Board Member Interviews for 2 New Board Members:
 - Review Letters of Interest from 4 Constituents, Corky Porterfield, Susan Doran, Steve Clark, and Krisi Gorbet. Info in the packet.
 - Discussion/Action:
 - Oath of Office for 2 Board Members.

35 Minutes

- Seat 2 New Board Members.
- 6. Water and Sewer Systems Update.

10 Minutes

- Chief Plant Operator Silva:
- Discussion Only.
- **7.** Meeting Schedule for 2022.

5 Minutes

- Approve the Proposed Meeting Schedule for 2022. Staff Report in the Packet.
- Discussion/Action:

8. Financial Reports-Budget Document

- 25 Minutes
- Mandy McGarva and Office Manager Titcomb.
- List of Checks, Cash Balances, LAIF Balance, Profit & Loss Statement, Info in the Board Packet for Review. Handout possible at the Meeting.
- Discussion/Action.
- 9. Fire Department Report.

15 Minutes

- Acting Chief Bob Orange.
- Discussion Only.
- 10. Plumas Bank Signature Card Update.

5 Minutes

- Minutes must reflect the names of the Signers that are to be removed, and then
 include the names of those to be added. This has never been done before this way.
- Office Manager Titcomb. Discussion Only.
- 11. Approve Meeting Minutes of December 8, 2021 Regular Meeting.
 - Discussion/Action:

5 Minutes

- 12. Designation of Applicant's Agent Resolution for Non-State Agencies.
 - Form 130 with Bob Orange and Ted Cassidy listed.

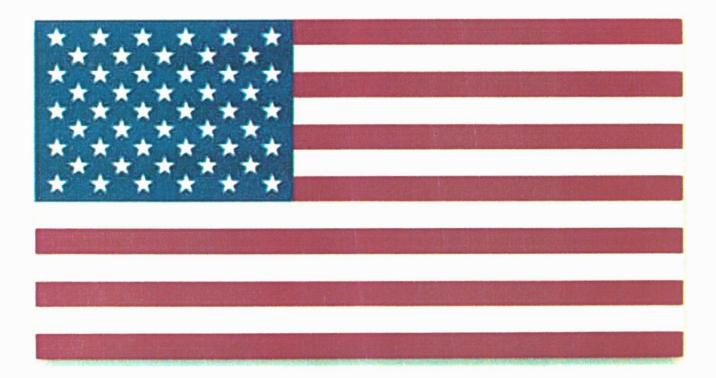

5 Minutes

- Discussion/Action:
- 13. General Manager's Report.
 - GM Ted Cassidy Monthly Report to the Board.

20 Minutes

- Information is in the Board Packet.
- 14. Closed Session
 - CONFERENCE WITH LEGAL COUNSEL—ANTICIPATED LITIGATION
 - Initiation of litigation pursuant to Government Code section 54956.9(d)(4): (1 cases)
- 15. Report out from Closed Session
- 16. Adjourn the Regular Meeting Until the Next Regular Meeting of: January 26, 2022

<u>REASONABLE ACCOMMODATION</u>: In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Clerk of the Board at 530-284-7224. Notification 72 hours prior to the meeting will enable the IVCSD to make reasonable arrangements to ensure accessibility [28 CFR 35 .102.35.104 ADA Title II].

I PLEDGE ALLEGIANCE TO THE FLAG
OF THE UNITED STATES OF AMERICA,
AND TO THE REPUBLIC FOR WHICH
IT STANDS, ONE NATION UNDER GOD,
INDIVISIBLE, WITH LIBERTY AND
JUSTICE FOR ALL.

| N/A | Funded | Unfunded | Amount | Department | Line Items(s)# | Line Item Title | | | |
| V | | | | | | | | | |

RECOMMENDED ACTION: Ask pertinent questions of each candidate for the Board of Directors vacancies. Select two candidates to appoint to the Board of Directors. Ask the Board Secretary to give the Oath of Office and seat two new Board Members

Summary/Background

The Board of Directors of the Indian Valley Community Services District currently has two vacancies. Qualified candidates for appointment must live within the district, be 18 years of age or older AND registered to vote in Plumas County. Four community members have applied to fill these positions, Kristine Gorbet, Susan Doran, Steve Clerk, and Corky Porterfield. Appointment to the Board of Directors due to a vacancy is subject to State Law in Government Code Title 1, Division 4, Chapter 4, Article 2, Section 1780. The Law indicates the remaining Board Members shall appoint new members of the Board within 90 days of a vacancy, or declare an election within 60 days. If the vacancy is not filled in a timely manner the Board of Supervisors has the authority to appoint members. At the December 8, 2021 Regular Meeting of the IVCSD Board of Directors, Supervisor Goss recommended the District interview and appoint applicants to the Board of Directors as soon as possible. The Board called a special meeting for December 14, 2021 which was subsequently cancelled due to a lack of quorum.

The first regular meeting after Supervisor Goss' recommendation is the January 12, 2022 meeting. The Board will interview candidates and appoint Board Members who will serve on the Board until the next regular election which will be in November 2022. All 5 Board Members will need to be elected, 2 will run for a 4 year term, and 3 will run for a 2 year term, and then regular elections will continue after that point in time.

The following is suggested list of questions. Current Board Members may use these questions or may add some of there own. Please allow each candidate to answer any question that is used.

Suggested Questions for Board candidates

- 1. Why have you applied to become a Board member?
- 2. What do you hope to accomplish as a member of the Board of Directors?
- 3. How have you already been volunteering or serving in the District?
- 4. What experience in budgeting, engineering, government organizations, etc. do you have that will help you make sound policy decisions for the District?
- 5. There will be a significant time commitment for this volunteer position. Duties of the Board of Directors includes attendance at regular meetings, special meetings, and emergency meetings, reasonable preparation to understand board packets prior to meetings, service on committees, etc. Do you feel you have the time to devote to this position.
- 6. Board members make decisions about a wide range of subjects: "Should the District rebuild an expensive water plant or drill another well?"; "Should the District lease water to local ranchers?"; "How should Personnel issues be handled?"; "What FEMA monies are worth pursuing given the District must match a percentage of the funding?", etc. Are you willing to learn enough to make informed decisions?
- 7. The Board of Directors represents the entire valley, do you feel you will be able to make decisions which will benefit the District as a whole rather than just a select group of individuals?
- 8. As a Board member you may be called upon to make decisions which could be unpopular. How will you handle this?
- 9. As a Board member, you will be serving in a public status as part of a team. will you be able to support your fellow Board members should the rest of the Board choose to make a policy you do not agree with?

Fiscal Impact

-None.

Re: Application for Board Vacancy

Dear Board Members:

I am applying to fill the IVCSD Board Vacancy. I see this as a perfect opportunity to serve the Indian Valley Community. I have been a resident of Indian Valley for over 40 years. I have worked for the hospital and drove the ambulance for 20 years. This gives me a good understanding of the emergency service needs within the District. I was a founding mother of Mountain Circle Foster Family Agency, serving as the records supervisor and a Foster Parent. I will be able to use the skills I developed with the agency to understand budgeting and state regulations. This will be especially important in the light of the need for extra funding due to the Dixie Fire. For the last year I have been serving as the President of the Indian Thrift Shop Association.

I would be honored to serve the Community Service District as a Board Member.

Thank you for your consideration,

neg interfield

Corky Porterfield

ATTN: Jeff Titcomb

Clerk of the Board

RE: Letter of Interest for Membership on IVCSD Board

Dear Mr. Titcomb,

Having grown up in this valley, then leaving the community for 45 years to pursue education and career in the public sectors of engineering and planning, I returned over three years ago to retire. I am now interested in serving the community of which I grew up in.

As the community of Greenville will involve many facets in rebuilding, I believe my engineering and surveying experience may be of value. As can be seen in my resume, I have a varied cross section of designing, surveying, inspection, project management, budget experience as well as extensive communication experience with the public and other stakeholders.

Thank you for your consideration.

Susan C Doran

RESUME of

Susan C Doran

Education:

Everett Community College Everett, Washington AAS – Engineering and Surveying, 1980

Wenatchee Valley College Omak, Washington General education, 1978

Lassen Community College Susanville, California General education, 1967-68

Greenville Jr-Sr High School Greenville, California Diploma, 1967

Work Experience:

2003-To Present: Ranching; growing hay, alfalfa, wheat, and straw for resale. Maintained books for same. Managed a freight shipping and receiving service for two years during this period as well.

1999-2003: Snohomish County Public Works Department, Engineering Division; reviewed and approved proposed development projects by land developers, also included review of commercial projects to ensure designs met all requirements of the County Engineering Construction Standards and Washington State Engineering Standards. Reviewed and approved Right of Way use permits and did construction inspections as needed. Revised and assisted in the re-write of the County Construction Standards. Interfaced with other departments such as Traffic Engineering, Environmental Review and Planning, Roads, Right of Way, Design and Surveying. Extensive interface with engineering firms, other city and state departments and the public.

1989-1999: Employed by the San Juan County Public Works and then the Skagit County Public Works, City of Mount Vernon, all of Washington state: Duties included roadway design, writing, and administering construction contracts,

construction inspection, finalizing completed projects. Review of right of way permits and issuing same.

1982-1989: City and Borough of Juneau; Juneau, Alaska. Engineering Department: Audit and finalize past engineering projects; design and draft construction projects (sewer, water, drainage, etc.) Write contract specifications, manage budget, and pay requests, construction inspections and reports for same. Projects were not limited to roadways but also doing Requests for Proposal on park and airport projects as well. Inspecting construction and finalizing these projects was included on these projects. Also wrote right of way and city property survey descriptions. Reviewed and assisted with the issuance of building permits.

Other employment of note has been the following:

First Western Bank, Greenville, CA - Teller

US Forest Service, Sierraville and Downieville, CA – Draftsman, surveying, fire dispatcher, time clerk, fire lookout

US Forest Service, Tonasket, WA – Timber Stand Exams crewmember, firefighter

Loyalton Hospital, Loyalton, CA – Receptionist, assistant bookkeeper, medical transcriber

LETTER OF INTENT

Board Chairmen Bob Orange,

I would like to be considered as a board member for the Indian Valley Community Services District.

As you know I have lived in the Indian Valley community for 51 years and graduated Greenville High School in 1988.

I have been involved in the Greenville/Indian Valley community for approximately 20 years both professionally and personally.

Thank you for the consideration

Steve Clark

November 10, 2021

IVCSD

Dear Jeff and IVCSD Board Members:

I would like to volunteer to be a member of the Indian Valley Community Service District. I have been a resident of the Indian Valley Community since 1997. I am originally from Yreka the daughter of a County Auditor (Dad) and Credit Union Manager (Mom), Granddaughter of a Rancher and wife of long time Indian Valley Resident/Owner Logging Company Warren Gorbet. I have owned a jewelry manufacturing company (Hat Creek), a natural food market (Burney) and was co-owner of Indian Valley Logging Inc. I was employed by PG&E for 37 year and recently retired as of October 1st. My positions at PG&E in Electric Operations were groundsman, truck driver, supervisor, superintendent. In addition I held positions as a customer service rep, foreman's clerk, emergency management specialist, and business technology applications expert.

I believe now is a unique time to step up and help support my community. We have an opportunity to rise up from the devastating wild fire that destroyed Greenville and bring our families, friends and neighbors home to one of the most beautiful places I have ever known. My family has always been active in serving our community and it's my turn to use my skills and experience to support the community any way I can.

Sincerely yours,

Krisi Gorbet

RECOMMENDED ACTION: Approve or amend the meeting calendar as presented and adopt Resolution 2022-01: Setting the Calendar of Regular Meetings for the Indian Valley Community Services District for Calendar Year 2022

Summary/Background

The Board of Directors of the Indian Valley Community Services District has traditionally held regular Board Meetings on the 2nd Wednesday of each month. During the past year, the Board has needed to meet more frequently and often called special meetings. Many constituents have not been notified or able to attend the special meetings as special meetings are properly posted only 24 hours in advance. This has caused a perception of a lack of transparency. This fact, coupled with a projection of many upcoming decisions due to the damages caused by the Dixie Fire, presents a need to hold regular meetings more frequently. Staff proposes scheduling regular meetings for the 2nd and 4th Wednesdays of each month, with the understanding that regular meetings may be cancelled if a meeting is not necessary. Scheduling two regular meetings each month still allows the Board of Directors to add-in Special Meetings or Workshops if necessary.

Setting the Board meeting calendar in advance assists the Board, Staff and Public with scheduling of District business.

Fiscal Impact

None. A regular calendar schedule should promote more efficient use of staff time.

Attachment

A. Resolution 2022-01 with Board Meeting Calendar for 2022.

INDIAN VALLEY COMMUNITY SERVICES DISTRICT

RESOLUTION No. 2022-01

A RESOLUTION OF THE INDIAN VALLEY COMMUNITY SERVICES DISTRICT SETTING THE CALENDAR OF REGULAR MEETINGS FOR THE INDIAN VALLEY COMMUNITY SERVICES DISTRICT FOR CALENDAR YEAR 2022

WHEREAS, the Board of Directors shall set an annual Board of Directors meeting calendar to establish dates and times for regular meetings thereby assisting the Board, staff and the public with advance planning and scheduling of District business; and..

WHEREAS, the following calendar is established notwithstanding scheduling of additional meetings as required upon proper notice under the Brown Act; and,

WHEREAS, the Board of Directors pursuant to this Resolutions sets aside a time period for closed session after the open session of each regular meeting; and.

WHEREAS, the Dixie Fire destroyed the regular meeting location for the Board of Director's meetings.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Directors of the Indian Valley Community Services District as follows:

- 1. The Board of Directors establishes 6:30 PM as the regular meeting time for each regular meeting. Meeting location will be indicated in the agenda for each regular meeting. Closed Sessions may be held immediately after the Open Session of each meeting. No Closed Session will be held unless the posted agenda of the regular meeting indicates that such Closed Session will take place.
- 2. The Board of Directors establishes the attached meeting schedule for Calendar Year 2022, typically meeting the second and fourth Wednesday of each month and adjusted if need due to holidays or dates that will cause quorum issues.

FY 2020-2021

Indian Valley Community Services District Budget

INDIAN VALLEY COMMUNITY SERVICES DISTRICT* District History:

| November 26, 1974 | Plumas County Board of Supervisors adopted Resolution 74-2670 ordering the combination of the Greenville Sanitary District, Greenville Lighting District, and the Greenville Fire Protection District to become the Greenville Community Services District (CSD) without an election and designated the initial Board of Directors. |
|-------------------|---|
| September 9, 1993 | Taylorsville Fire Department was brought under the umbrella of the Greenville CSD and renamed the Indian Valley Community Services District (IVCSD or the District). |
| April 14, 1999 | Sorsoli Water Company was purchased by the District and became Crescent Mills Water as part of the IVCSD. |
| July 25, 2002 | Bidwell Water Company was purchased by the District and became Greenville Water as part of the IVCSD. |

Service Area: The Indian Valley Community Services District supplies water and/or sewer services to the communities of *Greenville*, *Taylorsville*, and *Crescent Mills* and fire protection services to *Greenville*, *Taylorsville*, *Genesee* and *North Arm* in the beautiful Indian Valley area of Plumas County, California. The District has approximately 800 water and wastewater customers. According to the 2010 census, there were 2,479 residents within the District. The average household income is slightly more than \$30,000 annually.

Departments: There are five distinct functional areas (hereafter referred to as "departments") managed by the District including water, wastewater, fire, parks, and street lighting.

Water Department: Funding for the water systems is collected through user fees. All water users have meters, which were installed in the 1980s. All water in the District is chlorinated. The District has two distinct water systems.

In the *Greenville* system, there are two water tanks: 720,000 and 97,125 gallons. The well produces 270 gallons per minute or approximately 1,000,000 gallons per day. The District owns the water rights to Round Valley Reservoir, a 487-acre lake with 5200-acre feet of water which is retained as a backup. The reservoir dam was built in 1865. There are 582 customers with 10.5 miles of pipe on this system.

The *Crescent Mills* system has one tank that is 231,000 gallons and is filled by the spring in the Green Mountain Mine. There is also a well that produces approximately 30 gallons per minute. The water is treated for Iron and Manganese with a Greensand Filter Plant. Sodium Hypochlorite and Potassium Permanganate are added before the filtration process. This system serves 83 customers by gravity feed. The District also owns the water right to North Creek and Buckeye Springs. There are 82 customers with 3 miles of pipe on this system.

6/25/2020 2

Wastewater Department: Funding for the wastewater systems is collected through user fees. *NOTE: Greenville has a separate assessment for an expansion.* The Wastewater system also consists of two distinct systems:

In the *Greenville* system, there are 575 users, 11 miles of pipe, five lift stations, and 29 acres of ponds (5 total). This system handles 67,000 gallons of wastewater each day.

In the *Taylorsville* system, there are 95 users, 5 miles of pipe, one lift station, and an 81,000-gallon septic tank. This system handles 11,500 gallons of wastewater each day.

Indian Valley Fire Department: Funding for the fire department is collected by Plumas County Tax Collector through property taxes/assessments and allocated annually to the District. The department includes four fire stations: *Greenville*, *Taylorsville*, *North Arm*, and *Genesee*. Each station has its own equipment. The July 2015 ISO (Insurance Service Office, an insurance advisory organization that provides statistical and actuarial information to businesses) rating was determined to be 04/4Y, a very good rating.

Parks Department: Funding for the parks department is collected by Plumas County Tax Collector through property taxes/assessments and allocated annually to the District. This department includes three parks: *Greenville Community Park* (7.5 acres north of Greenville off Hot Springs Road), *Triangle Park* (.02 acres in Greenville), and *Chuck Clay Park* (.3 acres in Taylorsville). *NOTE: The pool next to the Chuck Clay Park in Taylorsville is operated by the Indian Valley Recreation and Parks District (IVRPD) through the summer of 2020.*

Street Lighting Department: Funding for this department is collected by the Plumas County Tax Collector through property taxes/assessments and allocated annually to the District. The Lighting District is consists of 75 street lights located throughout Greenville and Taylorsville.

Board of Directors: The District is administered by an elected Board of Directors. The Board consists of 5 directors who elect a Chair and Vice-Chair annually. Each director serves a four-year term with no term limit. The next regular election will be held in November 2021 for 3 director positions. Directors must be registered voters of Plumas County and live within the area served by the District (Government Code 25041 & 61040 (b)). Any openings on the Board must be filled by the Board within 60 days of a vacancy. The Board of Supervisors may appoint a Director from the 61st day through the 90th day. If no appointment is made, a special election must be held to fill all vacancies.

Employees: The District maintains eight (8) employees: five (5) full-time (Chief Plant Operator, Office Manager, two Water/Wastewater Trainees and a Receptionist/Meter Reader) and three (3) less than full-time (General Manager, Fire Chief, and Wastewater Operator). The Indian Valley Fire Department currently has 17 volunteers. The District additionally contracts personnel for engineering, legal and bookkeeping services.

6/25/2020

Funding: The District acquires funding from three (3) separate sources: Property taxes/assessments, service charges, and grants.

Property taxes/assessments: Funding for the District's fire, parks, and lighting departments collected by Plumas County Tax Collector through property taxes/assessments and allocated annually to the District. As a result of CA Proposition 218 & 26 legislation, taxes cannot be raised without the approval of the voters within the District.

Service Charges: Rates collected directly by the District from customers for having the ability to connect to the water and/or sewer system(s). Via the Prop 218 process, a rate 5-year increase was evaluated in FY 2014/15, adopted and is reflected in this budget.

Grants: Grants are critical to the overall program of work and grant development is part of the ongoing District workload.

6/25/2020

IVCSD MISSION STATEMENT

In order to have a functional and valued budget, the District must have a clear Mission to abide by. The Indian Valley Community Service District's mission is to:

"Provide and manage the necessary services for our community's health, safety, well-being, and prosperity."

GENERAL MANAGER'S MESSAGE

I, Chris Gallagher, am in my fifth year with the District. The District continues to look at different methods of working to save money, repair needed facilities, and serve our customers in the best possible way.

In January, the District implemented a new computer billing system that makes payments online much easier for our customers. Through the portal, customers are now able to view their monthly bills, pay by credit card, bank check or direct bank account withdrawal, review past payments, and look at water use. This will make it much easier for everyone to pay on time and get the best information possible about their service.

March has been the craziest month in my lifetime, and most likely yours! The COVID 19 virus has caused all of us to conduct business, as well as our daily lives, in a substantially different manner. District personnel are still working to keep our basic infrastructure up and running. Our office door will remain closed to shield our workers from coming into contact with someone who might have the virus. It is not known how long this situation will last, but rest assured that we will be here to keep the vital water and wastewater services up and running.

We were notified in January that we had been successful in obtaining a Planning Grant through the Water Board for the Crescent Mills Water System. This grant allows us to create shovel ready plans to improve the water system. Once this program is completed, the District will look for funding to make needed improvements.

Our Greenville Planning Grant, to find leaks in the water system, is nearly complete. We should have a shovel ready project during this fiscal year, find funding, and begin to harden the water system and protect our vital resource. We will be working with the Water Board to find construction money to repair the leaks in our water system that were identified through this grant.

Another grant-funded project that was obtained for this fiscal year is the Integrated Regional Water Management (IRWM) program Tank addition project. This grant will pay for the installation of a 135,000-gallon tank at the site of its other two Greenville tanks to improve storage capacity for the community in order to protect the community from wildfire, as well as providing sufficient drinking water during times of power outages.

6/25/2020 5

The District is responsible for putting the Greenville Water Plant back into production as a secondary source of water. The California Rural Water Association will be writing startup procedures for the plant, and we will be repairing a leak near the plant that has prevented water from getting to the plant. We are anticipating this project to be done at the end of summer.

The Fire Department continues to do a great job for our community by responding to emergency situations in the valley. Last year was very busy for our volunteers as they responded to significant fires, medical emergencies, vehicle accidents, and other emergencies. Please thank our volunteers as you see them in our community.

There will be a change in personnel assignments in this fiscal year. We anticipate hiring a Shift Supervisor to run a Water/Wastewater crew of two to more quickly take care of leak issues, do new installations, and work through our new cross-connection program. The Chief Plant Operator will be working on the Greenville Plant startup, the Crescent Mills planning project, running to Greenville Leak project, and doing rounds throughout the District to assure its integrity. We believe this will help things run much more smoothly regarding all systems.

6/25/2020

IVCSD GOALS - Fiscal Year 2020/21

1. Maintain and Improve District Infrastructure.

- a. Begin Work on the Crescent Mills Planning Project.
- b. Repair water line from Round Valley Reservoir (excavated but pipe needs replacing)
- c. Work with PG&E to utilize Hydro & Solar Electric within the District's facilities.
- d. Successfully realize a secondary water source for Greenville.
- e. Complete work on Main St. water main.
- f. Review grant opportunities to identify and make project ready areas of INI wastewater infiltration.

2. Improve District Fiscal Resources

- a. Secure a grant or other funding for safety fencing at Crescent Mills, Greenville Water, and Greenville Sewer facilities.
- b. Work towards funding to clean all water tanks.
- c. Continue to seek additional grants for District projects including IRWM, Fire and Park grants (DWR, Prop1, State Parks, etc.), shovel ready projects, etc.

3. Provide for Greater Departmental Efficiencies and Safety

- a. Develop firefighter's certified training and new volunteer orientation and handbook and bring on new volunteers.
- b. Ensure all vehicles pass inspection through annual maintenance checkups with a certified mechanic. Complete monthly review of weekly maintenance records.
- c. Continue to apply for Cal Fire equipment grants and other grants annually.
- d. Review and implement a source water protection plan.
- e. Conduct training for District on Dam Emergency Inundation and All Incident Safety Plan.
- f. Ensure customer service and other readiness training to prepare staff for emergencies.
- g. Test Hydrants on an annual basis for flow.

6/25/2020 7

BUDGET LINE ITEM TERM DEFINITIONS

REVENUE:

- 30314 Service Charges: A monthly fee established through a rate study and a vote of the District charged to customers for having the ability to connect to the water and/or sewer system(s).
- 30315 Water Use Revenue: Established rate charged for each (1) unit (748 gallons) use per month.
- 31321 Property Tax Revenue: Parcel tax levied by Plumas County and collected by the Plumas County Tax Collector on properties within the District for general fund departments including Fire, Parks, and Lighting. NOTE: Tax liens the District issues on properties are funded back to water or sewer as related.
- **31326 Interest Revenue:** Interest accrued on some bank accounts containing Reserves or other funds.
- **31327 Grant Revenue:** Funds that are actively pursued from various sources each year, but not budgeted unless funds will be secured in the applicable Fiscal Year.
- 31330 Misc. Revenue: Monthly fees charged for the 10% Debt. Reserve (\$2.44 monthly in Greenville and \$1.54 monthly Crescent Mills). Other unclassified funds are recorded here.
- **31331 Transfer In:** Funding collected from other department funds to pay for administrative costs based on income to each department.

EXPENSES: Salaries and Benefits

- **40010 Salaries & Wages:** Wages paid to employees including all mandatory payroll taxes including, but not limited to, vacation pay and sick leave.
- **40011 Overtime Wages:** Funds paid to employees for time worked over 8 hours per day or 40 hours per week. Limited to unexpected or ongoing excessive project demands.
- **40012 Pager Duty:** \$100 per week paid to a designated employee to be locally available to respond to emergency calls.
- **40015 EE Benefits:** The District provides medical, dental, and vision insurance for regular, non-probationary, full-time employees. This category also includes employers and employee taxes.
- **40016 Workers Comp:** This is insurance paid by the District for on the job, work-related injuries.

EXPENSES: Services and Supplies

- 40017 Mapping, CAD, GIS & Software: All computer non-hardware computer-related items.
- **40018 Advertisement/Legal Notices:** The District is required to make certain notices public by placing ads in the newspaper.
- **40023 Insurance Liability:** To differentiate from Workers Comp Insurance, this is our liability insurance that is not included in Employee Benefits.

6/25/2020 8

- 40024 Communications: Covers phone services, lines for the lift stations, and computer lines.
- 40025 Office Expense/Billing Stock, Supplies: Any and all expenses having to do with office operations, office equipment, supplies for regular business in other departments, and daily operational items.
- 40026 Rent & Lease: Office rental, copier rental, and anything else that is rented.
- **40027 Memberships:** The District pays for professional memberships into District related organizations including CSDA, CRWA, Chamber of Commerce, etc.
- **40031 Professional Services:** We utilize professionals such as Attorneys, Bookkeeping Services, Auditor, and other business-related professionals.
- **40035 Travel, Meetings & Training:** This account is used to pay all expenses for job-related meetings and training.
- 40041 Vehicle Expenses: Fuel: Cost for fuel for all vehicles (i.e. fire trucks, maintenance vehicles, etc.)
- **40042 Vehicle Expenses: Repairs: Any** repairs on District-owned vehicles. NOTE: We have separated fuel and repairs in an attempt to keep track of total vehicle costs.
- **40051 Utilities: Electric:** Costs paid to PG&E for power for the office, lift stations, water plants, etc.
- 40052 Utilities: Garbage: Costs for garbage removal from the office, parks, water plant, etc.
- 40053 Utilities: Propane/Oil: Heating and generator fuel products.
- 40055 Small Tools: Tools used regularly that do not amount to capital items.
- **40056 Supplies:** Items that are required for repairs on systems, other supplies not including office items, and any other small equipment.
- 40057 Postage: The amount required to send out billing or other parcels by mail.
- **40061 Repairs and Maintenance:** This account is used to pay for more pricey items that fail throughout the year and need immediate replacement.
- **40062 State Required Engineering/Testing Reports:** Any use of Engineering Services and all Water and Wastewater testing is charged to this account.
- **40068 Permits and Inspections:** The District pays Penn Credit, Plumas County Permits and State Water, Wastewater Fees, & Dam Fees.

EXPENSES: Services and Supplies (continued)

- 40075 Safety: These are items needed to provide for safe operations by our employees.
- **40078 Property Tax:** Typically Districts are not required to pay property taxes. However, we have one parcel that did lay outside the District's sphere of influence, causing us to have to pay the tax.

6/25/2020

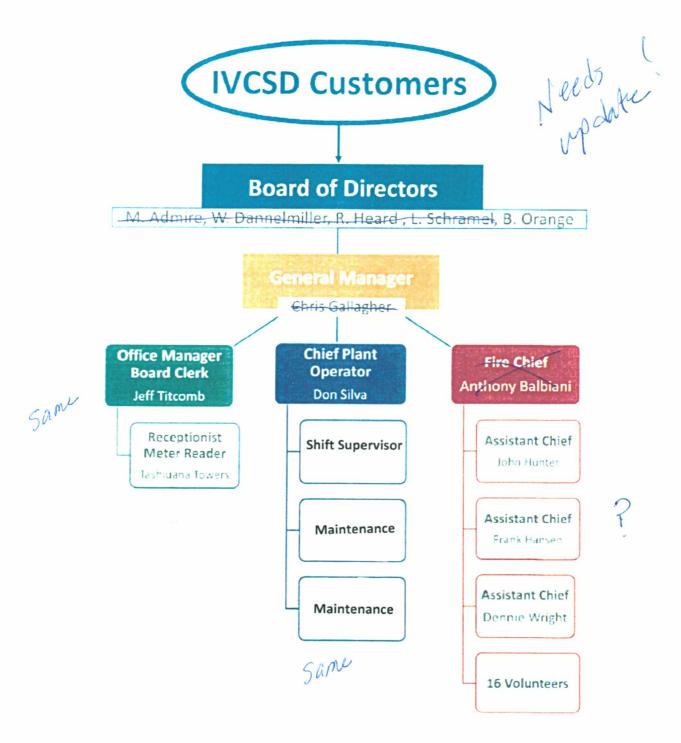

40110 Transfer Out: The amount, based on a set percentage of income, each department pays toward the funding of the Admin account for administrative costs to support each department.

EXPENSES: Debt and Reserves

- 50500 USDA Debt Service: Loans made to the Department's specific funds are repaid by each fund once annually until the loan is repaid.
- **50501 USDA Reserve Requirement 10%:** USDA loans require an annual 10% reserve payment until the loan is repaid.
- **50505 Operating Reserve:** This is the funding put aside in case the amount budgeted does not cover the total expenses for the year.
- **50506 Capital Improvements:** Funds available for the capital purchase of single items over \$5,000 and projects that exceed \$5,000.
- 50507 Long Term Asset Reserve: An attempt is made by the District each year to put into reserves 10% of its income into the reserve.
- **50508 SRF:** These are other Debts the District has outstanding that require an annual payment until repaid.
- **USDA Loan 4.5%** The loan obtained to expand sewer services to other residents that were initially outside the District Boundaries.
- USDA Loan 4.25% The loan obtained to purchase the Greenville Rescue Engine.
- UMPQUA Bank Loan 2.85% The loan that consolidated all of the previous Water debt (Greenville Water System Purchase, Greenville Water System, Crescent Mills Water System Improvements, and Greenville Water Pipe Replacement). This loan had a present value savings of over \$500,000 and cut the length of payments from 25 years to 15 years.
- State Revolving Fund (SRF) The loan that paid for the drilling of the Crescent Mills Well.
- State Water Control Board This is a debt that went to collections during the embezzlement. We pay \$500/month with no interest out of the water budget.
- Plumas County Community Development Grant This grant is only paid back to Plumas County Community Development when a new customer activates a hookup in the District.

Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted Resolution is older than three (3) years from the last date of approval, is invalid or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on page 1. The blanks are to be filled in as follows:

Resolution Section:

Governing Body: This is the group responsible for appointing and approving the Authorized Agents. Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California. Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the Governor's Office of Emergency Services regarding grants applied for by the Applicant. There are two ways of completing this section:

- 1. Titles Only: If the Governing Body so chooses, the titles of the Authorized Agents would be entered here, not their names. This allows the document to remain valid (for 3 years) if an Authorized Agent leaves the position and is replaced by another individual in the same title. If "Titles Only" is the chosen method, this document must be accompanied by a cover letter naming the Authorized Agents by name and title. This cover letter can be completed by any authorized person within the agency and does not require the Governing Body's signature.
- 2. Names and Titles: If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document or their title changes.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles cannot be one of the designated Authorized Agents, and a minimum of two or more approving board members need to be listed.

Certification Section:

Name and Title: This is the individual that was in attendance and recorded the Resolution creation and approval.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person cannot be one of the designated Authorized Agents or Approving Board Member (if a person holds two positions such as City Manager and Secretary to the Board and the City Manager is to be listed as an Authorized Agent, then the same person holding the Secretary position would sign the document as Secretary to the Board (not City Manager) to eliminate "Self Certification."

Board of Directors

Kaley Bentz Bob Orange Roger Cherry VACANT VACANT

www.indianvalleycsd.com

ivcsd@frontiernet.net

MINUTES REGULAR MEETING OF DECEMBER 8, 2021 6:00 p.m. TAYLORSVILLE HISTORIC HALL 4322 MAIN STREET, TAYLORSVILLE, CA. 95983

1. Call to Order/Roll Call:

* Board Clerk Titcomb called the roll with Chair Orange, Director Bentz, and Director Cherry being present. 2 vacancies exist on the Board currently.

2. Pledge of Allegiance:

* Board Chair Orange led the group in the pledge.

3. Approve the Agenda:

* A motion to approve the agenda was made by Director Bentz and seconded by Director Cherry. The vote was 3- Yes, 0- No, and 2- Vacancies.

4. Public Comment:

* No comments were offered by those present and no correspondence was received by the Board Clerk prior to the meeting.

5. Water/Sewer Systems Update, Chief Plant Operator Silva:

* Chief Plant Operator Silva reported that the water plant is running but in a temporary state and manual controls. There's a small building being built to house the needed equipment and it is almost complete. Parcel clean-up contractors have hit main water lines and causing a great deal of problems for the IVCSD staff. The sewer system is in worse condition and it is being plugged up often due to people flushing personal wipes and larger body wipes into the sewer system. He is pleading with the public to throw those items in the garbage instead of flushing them into a vulnerable sewer system. The pumps have gone down more than half a dozen times due to these wipes plugging it up. The Greenville system is still on generator power. He reports that Crescent Mills water is running normal. Taylorsville is running normal and no issues there, other than the old back-up generator still needs to be replaced with something reliable.

6. Approve Minutes From November 10, 2021:

* Board Clerk Titcomb referred the group to the printed minutes in the board packet. There weren't any questions or discussions about the minutes. A motion to approve the minutes was made by Director Cherry, and seconded by Director Bentz. The vote was 3-Yes, 0-No, and 2-Vacancies. This motion passes with a majority of the Board.

7. Flood Insurance Addition to Policies:

* Some discussions were held concerning what is in the current policies and the proposed prices for adding flood insurance to the other policy. There was some issue with a definitive cost, deductible, and need for more coverage. GM Cassidy expressed that we would clarify the issue and bring it to the next meeting. A motion to table the item was made by Director Orange and seconded by Director Bentz. The vote was 3- Yes, 0- No, 2- Vacancies. This motion passes with a majority vote.

8. November List of Checks:

* Office Manager Titcomb presented the list of checks from November 2021. There weren't any questions or issues with the list of checks.

9. Financials, July, August, September, and October Provided by Mandy McGarva:

* The discussion centered around the financials that were submitted to the packet by our third party accountant. The budget for the current fiscal year is simply a copy and paste of the previous year's budget, so it will change when the current GM prepares his fiscal year budget for 2021-22. The Board will need a meeting with Accountant McGarva to fully understand what the reports and numbers mean. There is a Finance Committee now and those 2 Board Members will be tasked with working out the budget issues, as well as working to form the next fiscal year budget. It's planned to have the auditors come in January 2022 for the annual audits. A motion to accept the financials as presented from the accountant was made by Director Orange, and seconded by Director Bentz. The vote was 3- Yes, 0- No, and 2- Vacancies. This passes with a majority vote.

10. Destroy Old Signature Card at Plumas Bank and Create a New Signature Card at Plumas Bank for the Current Board Members:

* A motion was made to destroy the existing signature card and create a new signature card at Plumas Bank for the current Board Members by Director Orange, seconded by Director Cherry. The vote was 3- Yes, 0- No, and 2- Vacancies. This passes with a majority vote.

11. General Manager's Report:

* He reports that a Request for a Quote for professional services of various sorts was put out for 9 days response time frame. It was posted on the office windows, District website, District Facebook page, and the Indian Valley Chamber of Commerce Facebook page. It was also put in to the Plumas News online website classifieds section. He gave information about being able to get chopper pumps within 8 weeks for the sewer system station, and that the District should act on those as it is a long wait anymore for equipment and parts. He gave information on a 2.8 million dollar grant for replacing water pipes, and a previous grant that was already approved for \$300,000, and that there was an additional \$400,000 for various water projects, but that other District's might get some of that amount for their projects. He reported that there were 4 letters of interest or intent from the community and only 2 openings on the Board. It was recommended that a meeting be held to ask specific questions of the applicants, and that 2 could be chosen then.

12. Fire Department Report:

* Acting Chief Orange gave a quick report that he was going to Calaveras County to pick up a donated four wheel drive truck and bring it back to Indian Valley. He would stop and pick up some hand-painted ornaments that were prepared by an auxiliary group in Sacramento, 350 ornaments were made and will be distributed here when he gets back. Redlands has an engine to donate that is newer than most trucks in our fleet and they were doing some repairs to it before sending it to us. From Modoc County the Look-Out Fire Department is donating a Cascade Fire System that is used to fill SCBA tanks, and works much better than the current one being used. New training meetings every other week will be held with Quincy Fire Department, and focus on winter activities, chain installations, and other fire related trainings.

13. Adjournment:

* A motion to adjourn was made by Director Cherry and seconded by Director Orange. The vote was 3- Yes, 0- No, and 2- Vacancies. This motion passes with a majority vote.
